1. Every ram and ewe sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return a non breeder to the seller in acceptable breeding condition. The seller, after a fair trial and the animal is found to be a non-breeder, shall have the privilege of replacing the ram or ewe with one of equal value or satisfaction of the buyer, or refunding the purchase price. This guarantee shall not apply to any sheep that are shown subsequent to the date of the sale.

NATURAL COLORED SHOWCASE

SCOTCH LANE FARM

1-Fall Ram Lamb

'Moon Dancer' Scotch Lane 908 RR - -- 113892

B: 09/23/2023 Twin
S: 'Hell Bound' PENC 21-50 110862
D: 'Da Bomb' SLF 603 108071
Moon Dancer's sire, Hell Bound, was Supreme Champion Natural Colored Ram at NAILE in 2022. His dam was our best fall ewe in 2020 but was never shown because of Covid. If you're in the hunt for a stud ram take a look at this guy!

2-Fall Ewe Lamb

'Zoey' Scotch Lane 896 RR --- 113891

B: 09/06/2023 Twin
S: 'Hell Bound' PENC 21-50 110862
D: 'Fire Bomb' Wolf 18-23 104658
Show ewe alert! Zoey is a maternal sister to the dam of 'Moon Dancer'. Their dam, 'Fire Bomb', is a big bodied 'Pac-Man' daughter. If you follow our breeding program, you know we love barrel ribbed ewes! Zoey can compete at any level!

3-Fall Ewe Lamb

'Gigi' Scotch Lane 918 RR --- 113894

B: 10/21/2023 Triplet
S: 'Hell Bound' PENC 21-50 110862
D: 'Gypsy Woman' SLF 714 108928
Gigi is a late born triplet, but don't hold that against her! She is out of the heart of our program. Her dam 'Gypsy Woman' was Reserve Champion Ewe of the NAILE Jr Show in 2021 and a maternal sister to the Reserve Champion Ewe we sold at last year's sale for \$4000. Gigi is a full sister to 'Wicked Woman' that was 2nd place Feb. ewe lamb and Best Fleeced at Big E last year. Whether you are looking for a show ewe or a foundation breeding piece, this ewe will fit the bill.

4-January Ewe Lamb

'Tia' Scotch Lane 943 RR --- Pending

B: 01/21/2024 Twin
S: 'Hell Bound' PENC 21-50 110862
D: 'Tia Dalma' SLF 791 110793
Unfortunately, our ewes did not start lambing until the middle of January. Although Tia is young and green, she is super complete. Her dam is sired by 'Gunpowder N' Lead' who also sired our popular Jan ewe lambs at this sale in 2022. Give Tia some time and she'll be in the hunt this fall!

5-February Ewe Lamb

'Salty' Scotch Lane 949 RR --- Pending

B: 02/01/2024 Twin
S: 'Hell Bound' PENC 21-50 110862
D: 'Gypsy' Wolf 20-03 108224
As her name says, this girl is "Salty"! She is so cocky in her front end and always struts her stuff around the pen. It's hard not to notice her! Her dam has become one of our foundation ewes. She has produced 8 ewe lambs in 4 lambings including 'Gypsy Woman' Reserve Champion at NAILE Jr Show in 2021, our \$2200 and \$1800 Jan ewe lambs in 2022, and 'Middle Child' (Salty's full sister) Reserve Champion Ewe at last year's sale.

We traditionally bring one of our best to this sale. And this year is no exception. This has been one of my favorites since birth. She has structure combined with eye appeal, stands on great bone with some length of side. This lamb could be super fun this summer and fall in the show ring. To top it off, her pedicure is so neat. Her sire is owned with Reece Vandeventer and had an incredible show season last year, topped off by being name Champion Ram at Louisville. "Let's Go" is the dam of our lead stud buck, "Verdict". We only showed him one time last year at the Minnesota State Fair, where he was Champion Ram.

48-Fall Ram Lamb**"Trick" LA Natural Coloreds 0012 RR**

B: 10/29/2023 Twin
 S: "Hard Whiskey" Pines End 20-62 109190
 D: Moenter Homestead Sky 3137 111048
 We are pretty excited to have this guy be our first natural colored offered in a public sale! Pay attention to his birthdate. He was born on our kids trick or treat night, earning him the name Trick. He is made just like his daddy "Hard Whiskey" who was champion ram at the Ohio state fair in 2022 and reserve champion medium wool division at NAILE that same year. Momma was 3rd place yearling ewe at this sale last year. This guy is super complete! Hard to poke a hole in him. Really big footed and boned, lots of body, really wide and a really nice consistent fleece from front to rear! We know he won't be the biggest because of his age but he won't be too far off and he will be one of the most complete made bucks here! Check for pictures on our Facebook page.

49-Yearling Ewe**Leaf Livestock 23-39**

B: 03/02/2023 Twin
 S: Corzatt 1872
 D: Leaf Livestock 19-50
 Twin to Lot 50. We fittingly refer to 19-50 as STITCH as she ties everything together that a shepherd could ask for in one breeding piece. 19-50 also gave us a beautiful fall ewe lamb. 23-39 is a flashy ewe.

50-Yearling Ewe**Leaf Livestock 23-40**

B: 03/02/2023 Twin
 S: Corzatt 1872
 D: Leaf Livestock 19-50
 Twin to Lot 49. LL 19-50 is a foundation ewe. How often do you see twin sisters who have a load of potential offered up at a show and sale of this caliber?

51-Yearling Ewe**Leaf Livestock 23-61**

B: 03/06/2023 Twin
 S: Corzatt 1872
 D: Leaf Livestock 2803
 The Craig family campaigned 1872's lambs with huge success a few years ago. He has sure sired some beautiful ewes in our barns.

52-Fall Ewe Lamb**Leaf Livestock 23-68**

B: 10/09/2023 Twin
 S: Corzatt 1872
 D: Leaf Livestock 21-55
 Offering up a sweet EVERGREEN granddaughter. We will retain 21-55's other fall ewe lamb. Looks like the EVERGREEN line will excel several more generations.

53-Fall Ewe Lamb**Leaf Livestock 23-69**

B: 10/10/2023 Twin
 S: Leaf Livestock 22-20 SWEET EMOTION
 D: Leaf Livestock 2802
 This ewe combines a double shot of GUNSMOKE on the top side and our really good fall ewe that won her class as a fall ewe in 2017 NAILE. She should be big with plenty of rib.

54-Fall Ewe Lamb**Leaf Livestock 23-73**

B: 10/12/2023 Twin
 S: Corzatt 1872
 D: Leaf Livestock 18-65
 We were blessed with fall ewes, both quality and quantity. The bottom side of 23-73 pedigree is rich with Crago genetics. Outcross opportunity awaits.

55-January Ewe Lamb**Leaf Livestock 24-7**

B: 01/27/2024 Twin
 S: Leaf Livestock 22-20
 D: Leaf Livestock 22-5
 If this ewe was our sale consignment, we would be tickled. 24-7 is out of a ewe that we call FIRE WOMAN. This was her first lambing, and she gave us a set of twins that are flat out cool. Our entire consignment was born and raised as twins.

This fall buck combines all the aspects of a future stud buck. His sire 2002 has been a staple in building our flock in the last 2 years. He has sired numerous class winners at NAILE including the Champion ewe last year. The momma of this fall buck was a class winner at 2021 KILE in the January class. He carries a tremendous fleece and a powerful horned merino buck head. Call if you have any additional questions, this is the only male sheep we are going to sell this year and we think he has a high ceiling.

Gadsby 2315 is the twin sister to the January ewe lamb that the Betts Family bought and showed last year with great success. The Crouse females have provided our program with high quality lambs, and they really clicked with our Frame stud buck.  This NC Romney yearling ewe is thick with a beautiful bold crimp. Wool coloring is more grey tones than black but a beauty to be sure. Great addition to your flock, both dam and sire where out of our show flocks for their respective years. Good feet and legs with the head and fleece that you would want on every sheep in your barn. Codon pending but will be at least QR. Photos will be on website and FB soon.

 If you are looking for a long-bodied, extended front end with bone mass to him, this is the ram you need in your flock. We showed this ram all throughout 2023. His sister was Champion at NAILE in 2020. Sire was a class winner at NAILE as a yearling ram. This ram has a nice fine crimp to his fleece. He is not as black in color compared to some of the others we are offering but still dark in color. This ram comes from a great ewe line, mostly raises twins and produces great ones.

 If you're looking for your next stud ram but want to hit the show ring with a good one, this is the ram you need to get. This ram lamb brings so much potential to him. He is one that caught our eyes at a week old...we might regret getting rid of this one. He is a rich black in color with VERY sought bone, deep-chested (already at an early age), having structural correctness and balance to finish. He has 3 generations of Natural Color in his background. Goes back to the 2032 Ram which was shown at NAILE as a ram lamb that won Champion NC ram in 2020. He did not get shown as a yearling due to a family member's death. Dam was the Champion NC Ewe in 2020 as a yearling ewe, and the ewe also produced the 2023 Best NC Fleece on Hoof at NAILE.

 This yearling ewe was shown as a ewe lamb at the AAJS in 2023. This yearling ewe brings the "Romney head" thick opened fuzzy ears, with a beautiful head to her. She is a yearling ewe that never got the look she deserved in the show ring as a ewe lamb. Her sire is 2032, shown at NAILE as a ram lamb which won Champion NC Ram in 2020. He did not get shown as a yearling due to COVID. Dam has only had ewe lambs, which have been impressive. This yearling ewes half-sibling was Champion Ewe in 2022, which was shown by Lindsey Schmol.

 If you are looking for a green ewe, this is one you need to look at. She is on the younger side of life but brings good values. A very up-headed long-necked ewe with a tall frame on her, a very feminine profile to her. She has a true black fleece down to the skin. She goes back to 2032 ram which was shown at NAILE as a ram lamb that won Champion NC Ram in 2020. He did not get shown as a yearling due to a family member's death.

 A ewe lamb that is flat-out cool. We decided to offer up our best ram lamb and ewe lamb that we produced this year. This ewe lamb catches your eye the minute she walks in front of you. Another deep rich in black color all throughout her fleece. She is very feminine in her side profile, as well as her front end. She has a very pretty head and ears to her. Goes back to the 2032 ram which was shown at NAILE as a ram lamb that won Champion NC Ram in 2020. He did not get shown as a yearling due to a family member's death. Dam was a class winner as a ewe lamb in 2019 at NAILE. This ewe lamb has 3 generations of Natural Colored.

DONATION EWES. All funds from the sale of this ewe lamb will go back to support the Romney Jr. Shows at the All American and NAILE. A way we would love to give back to the Juniors and allow the junior breeders to participate in the fun activities in the Romney Association does for them at the All American and NAILE, is donating this ewe lamb to help raise more funds to continue this. This is a great ewe to start the foundation of your Natural Colored flock. She is long-bodied with an attractive profile to her, which catches your eye. She is very wide all the way to the base, offering a lot of bone. Dam is 1729 which is a full sib to the stud ram ROCK that we raised and sold to 3L&Ns Farm (Penny Swearingen).

This ewe has really come on in the last couple of months. She's ultra-refined, long-necked, long-bodied, and so neat from the side. One that I think will continue to get better over time. We have worked hard to make ours good hipped and better built, and this one does just that. We didn't show her last summer, but I think she can make a nice addition to a show flock and will be an even better brood ewe.

295-Fall Ewe Lamb

We decided to AI a small group for early falls, and it did not disappoint. The odds were in our favor and we wound up with all ewe lambs. Unfortunately, we can't keep them all, so our loss is your gain. This lamb is so elegant in her front-end design and has plenty of growth ahead of her. Watch this one on the move or collected, and I think you'll like what you see.

A chocolate colored ram that is similar made to the Reserve Junior Champion ram at the 2023 MWSRS that sold to Petzel crew in WI. This ram runs uphill, level spined and still has plenty of power from behind. Yet he's still super athletic on the move. One of my favorite ram lambs in the January pen. This guy is out of a maiden ewe who is dammed by our Loudan Acres ewe. We got Social Distance back from South Dakota last summer and we were ready to put him to use as he has sired lots of quality sale lambs for Sturdy Post Ranch and is also the sire to our very popular yearling ewe this year, Walkin in Memphis. The guy will be a showstopper in the ring with his added look and presence, but yet still has the right muscle shape and base width to provide that extra shot of muscle that you need in your flock. This guy will continue to get better with age throughout the summer! He's painted up to boot!! Don't miss out on this guy who I wouldn't be afraid to put in our show string this summer!

Our first offering of Power Drive offspring to the public! We didn't have many ewe lambs out of him in the fall, so I'm offering three really good ones in our sale consignments this summer, so don't miss out! It's sounds cliché, but these type of females should stay in our flock. The pipstone ewes aren't getting any younger and numbers are getting limited, but we are committed to bringing the best that we have to offer! This ewe lamb may not be the largest framed sheep in the offering, but that doesn't take away from the fact that she is the boldest ribbed, biggest topped and stoutest hipped ewe lamb in the barn while maintaining structural integrity. Good sheep come in all shapes and sizes! Bid with confidence on this ewe lamb.

A dark speckle faced ewe lamb that hit the ground running since day 1! Big framed, stout constructed female that will be fun to show this summer and then turn around and breed later this fall. The maternal side of these Smith (SCD) females are phenomenal at raising lambs and consistently give us 3 lamb crops in 2 years and stay in excellent condition which is rare to find in the show world!

B: 01/02/2024 Twin

First offering out of our FRA 7500 ram who is a product of Joe Exotic and our Dosch ewe that was Champion at MWSRS in 2016. We crossed him on our DOC P 2283 daughters to add some more stoutness and power. He has certainly done that. This solid white ewe lamb is out of a first time mother who did an awesome job at raising her twins. Her black and white son will be featured in a consignment sale or will be in our online this summer. This ewe outdid herself on her first go! She's the biggest one in the bunch and the easiest one to pick out. She's still green, but has all the right pieces to be an excellent show ewe and future brood ewe down the line.

 "Captain" is a "Sam Whiskey" son who is a full sib to our junior champion ewe at last year's national Dorset sale. His lambs have exceeded our expectations! We have a phenomenal set of Winter and Spring lambs on the ground so we feel ok letting go of this female. NSF 2222 was the high seller in Sarah's online sale last year. She's a "Calculated Risk" daughter and is loaded with those "PD" and "Sweet Cherry Pie" genetics. This girl is just a pretty little package.

RR...We're really excited to be offering another quality set of sheep for the May sale. This guy is out of Icemann who sired our 3rd place fall ram lamb at this year's national sale and sold to the Reynolds crew out in Oregon. His mom goes back to a Cromie ewe that I showed as a junior and purchased with the ewe grant has a good set of limbs under him. Don't miss your opportunity to purchase the 2nd Icemann son we've made available.

PVF 428R has been a very intriguing sheep to watch over the last couple of months. I love how this guy profiles when you catch him from the side. He's also my kind of sheep where he's got some rib to him and he's thick down his top. He's also pretty square on his feet. We're also selling his twin sister in the sale and she's no different in my opinion. This guy combines Sly Abe with some of our oldest genetics on the farm dating back to the 3 main ewes my grandpa transferred to me when I started 4-H. Campbell Bros 394 is a Mr. Indiana daughter and his daughters have been nothing short of spectacular. Don't miss your chance at a Sly Abe son.

Both of our ewe lamb entries are sired by Sly Abe. Abe as we call him, was purchased through a bred yearling ewe in Pine Knobs online sale from a few years ago. She wasn't the biggest sheep in the sale but was built like a bunker. Sly Abe was the lamb we got out of her and the mating of Honest Abe. Sly Abe has done nothing but impress since his feet hit the ground with siring two 2nd place late fall ewe lambs in the last 2 national sales. He's Mr. Consistent around the farm and it's not hard to figure out his offspring from a group. PVF 401 goes back to a Narrow Lanes ewe that I purchased and touted at a couple of shows along with Sloe Gin. PVF 426R is a sheep that has got some bone, square feet, and legs and has a feminine look to her. Both of these girls could be fun to show this summer as we think pretty highly of them and hope you do too.

This girl is twin to our fall ram lamb entry, 428R. We decided to part ways with our best sheep this year due to Stephen finishing up his dual Master of Science degrees at Purdue and are trying to keep numbers at a manageable level for Lisa, Roy, and Cory. I really like this ewe lamb and wish she could stay in western Pennsylvania. She's got some flash to her and catches your eye from the profile. When you get on top of her, you start to see some pieces of what I'd consider my type of sheep. Don't miss your opportunity here as we plan on retaining a pretty sizable amount of ewe lambs from this fall's lamb crop.

 For our first time at the Ohio sale, we knew we needed to bring something good. This thick made, wide topped ewe lamb has some grow and has stood out in the pen from the start. From the very heart of our program, she's a Gorilla (Unicorn x DTM x Beast) on our flock maternal line. Dam sired by Fleener 1826 (Fleener1514 x AllenG299 ET). Easy lambing, good milking, great moms. The kind every shepherd appreciates!

This purebred entry's sire has been a staple in all of the success our flock has had in the last few years. His dam is one of my oldest and most reliable ewes to get the job done year in and year out. There is a lot of consistency bred into this one. He also is an excellent shedder!

We had a really deep set of fall lambs sired by 2202. We always try to bring a really good fall ram lamb to Ohio, and this one fits the bill. This guy is big footed, square made with a big center body. His breed type is exceptional. Dam's full sister sold in this sale last year. Check our FB page for pictures and updates.

Uncle Cracker stamped an exceptional first crop of lambs. This ewe lamb will be one of a select few of Cracker lambs to leave this year. Cracker lambs are very balanced, have excellent bred type, great extension, and thickness. The later lambs are getting better each day. Stay tuned to our FB page for updates.

2387 is an up headed ewe with a great profile. She is a little longer bodied more extended ewe lamb, while still having plenty of thickness and a great breed type. Dam is another ewe in the Silvius group, she is sired by a Bullington ram. Lambs out of the 2202 ram are extremely consistent.

Our fall ewe pen is deep in both quality and quantity. This late fall ewe is probably our favorite. She is trendy with plenty of base width, and opened up in her rib, yet she is elevated in her front one third. She is extremely fuzzy and her breed type is spot on. Her dam is an old Bo daughter who was acquired in a group of ewes from Paul Silvius. She had a killer set of twin ewes by 2202, our A.I. Pugsley son.

One of our top January ewe lambs. This A.I. mating has given us four exceptional ewe lambs in two years. Last year one was top seller on our online sale and we retained the second one. This year we are retaining one and offering the other one here. The Scramlin ewe is an A&M Hondo daughter that is also the dam of our 2202 ram, who sired the two fall ewes in our consignment. Don't miss this opportunity.

 2024, the year of the ram for Greenbrier Acres. We had an abundance of ram lambs born this year with plenty of them still in the barn. Bone, muscle, breed character and genetics. This buck lamb has each puzzle piece that would be a great addition to anyone's flock. His sire "Kaboom" needs no introduction as a National Champion buck who's sired many other champions. His dam has been one of our base ewes for the last couple years who goes back to "Outrage" and "WinnDixie". She has produced ewe lambs that have been sold through this sale in years past and we retained her buck lambs but this year we are switching things up and keeping her ewe lamb and selling the buck!

 We had 7 ewe lambs born this year and we are selling 2 of them. This ewe is out of one of my favorite ewe lines from the past couple years. She has bone, dam but the frame work and breed character of her sire. Which is pretty ironic considering both her sire and dam's Grand sire is Bone Chiller. She is the fancier one between her and her sister. We are retaining her sister to continue the genetic line. She would be a great asset to any flock.

 We had 7 ewe lambs born this year and we are selling 2 of them. This ewe lamb has a unique style to her. She is an eye magnet to those who come to the barn. She has the style, bone and breed character. Her sire "Barbwire" comes from a bloodline of champions along with being one himself. Her dam was purchased 2 years ago at this same sale from Caleb Fritz and successfully raised triplets this year as a first time lamber with a full udder! Her dam received champion at many shows as a lamb and yearling. She has brought a new set of genetics to our flock and we are excited to retain her sister and brother.

 Folks here's a big, deep bodied, stout ewe that has a great pedigree to boot! Sired by Payday the MWSRS champion ram in 2022. He's worked great on the TRI daughters (Rabbit Creek 1903), he was bred to. Dam has loaded pedigree that's goes back to Hickman 674 the Champion ewe in this sale in 2010. Third of my flock has granddaughters that trace back to 674. You want a consistent female that'll produce, then buy her, take her home and put her to work for you!!

Very correct with great breed type. His sire is out of Stedman, (one of the best rams we have raised) and goes back to a super Schambow ram on both sides. His dam goes back to a Pauley ram, which did so much for our flock, and a Willwerth ewe out of the famous Cox 1027 ram. I am keeping 2 fall ewes, one is this ram's twin sister.

Sired by our Whispering Hills stud ram "Premier" who was Jr. Champion at both the Midwest Stud Ram sale and the National Suffolk Show in Louisville in 2021. He was also champion ram at the Iowa State Fair that year as well. Premier has sired and outstanding set of sheep for us and this yearling ewe is no exception. Her dam is one of our foundation Ruby Mountain ewes.

This fancy fall ewe lamb is the full sister to our lead fall ewe lamb from last year, who has grown out to be one of our very best yearling ewes. The only reason we can let this ewe lamb go is due to the fact that we have her full sister along with her dam and three half sisters out of this stud ewe. 2321 is sired by WHS Premier as well as the rest of our consignment. The Premier daughters are super correct, big bodied and have excellent bone. We currently have about 35 Premier daughters in our flock.

Although we didn't have many fall lambs last year, the quality is outstanding. This ewe exemplifies what we are striving for in our ewe base, added dimension, center of body, spring of rib, and heavy bone work all working in harmony to create a very balanced and attractive ewe. With the bonus pieces this ewe offers, she is sure to have many friends on sale day.

1317-Yearling Ewe

S: Marshall "Iceman" 873
When we purchased the Marshall ewes in 21, we ended up with Iceman in the group. Barrett said he needed to be used, I am glad I listened. He produced the Reserve Ewe at INSF in 22 for us, as well as two super fancy females that year, with only being bred to 3 ewes. We turned him loose last year and kept every one of the females we had last year. This will be the first and last time we will offer a female sired by him, as he turned 6 this spring. Look in!

1318-January Ewe Lamb

S: WWSF 21-39
Sired by our Winning Ways stud. He sired 2 of the top 5 fall ewe lambs in both the Junior and Open Shows at Louisville last fall. This is Jarrod's last year in the Junior shows, so we figured we better start sharing.
